### **Product Description**

## **Apex Series 52" Kawasaki**

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

### **Features may include:**

#### **Full Tubular Frame**

The fully tubular steel frame rails are strong and more resistant to stresses to support loads of the machine with unprecedented strength and stability.

#### **Commercial-Grade Deck**

The thick 10-gauge steel deck is welded together for superior strength, durability, and impact resistance.

#### **Belt Tension Technology**

The self-adjusting belt keeps the tension constant to maximize belt life, minimize wear and maintain a consistent, quality cut.

#### **Deck Lift System**

The foot-operated deck lift system and simple pin selection provide easy adjustment between 15 cutting positions in 1/4" increments.

#### **Deck Access Panel**

Easy access to blade spindles and belts for quicker and more thorough cleaning.

**Padded Seat and Armrests**

Plush, adjustable high-back seat with padded armrests allows for longer use in greater comfort.
